RIDGE VENTILATION

ROLL VENT®

RAPID RIDGE®

XTRACTOR VENT®

Build Better™

Rapid Ridge®

The fastest way to protect a roof from heat and moisture

With a unique, low-profile design that easily installs with a pneumatic roofing nail gun, our Rapid Ridge nail gun-able ridge vent offers the quickest installation of any rolled ventilation product on the market.

BENEFITS

- Nail gun-able for fast installation
- Almost invisible once installed
- No nails to purchase
- Easy to center over ridge
- Creates smooth finish
- Prevents rain, snow, and insect infiltration
- Easy to handle
- Simplifies the aligning of shingles

FEATURES

- Low-profile design
- See-through hinge
- Compression resistant design
- Breathable weather barrier
- End plug free installation
- Lightest ridge vent on a roll
- Visible nail line
- 1 3/4" nails provided
